Those who have not been vaccinated should first do a **self-test**

Keep your **distance** or wear a **face mask** [from 13 years of age]

## SERVICE

Just **one person** should serve food. That person must wear a **face mask**.

That person gives everyone their **own portion**

## FIXED SEATING

Provide **fixed seating** 1.5m apart

Keep **1.5m** between guests

You can share a table with other members of your **household** or with a **maximum of 8 people**

## BASIS

FOR ALL (visitors, employees, artists, suppliers, etc.)

You can find the **number of persons** allowed on [www.info-coronavirus.be](http://www.info-coronavirus.be)

Keep a **distance** of 1.5m Also in toilets, lifts, etc.

Bring a **mouth mask**

Wash your **hands** frequently

**Sneeze and cough** into a handkerchief or your elbow.

Use each **handkerchief** only once

Do you think you might be **infected**? Call the doctor. Stay at home.

## IN ADVANCE

You must make the necessary **applications** to your local authority

Assign a **Covid Coordinator**

Provide a **mobility plan**, walking directions, etc.

Make **agreements** visible. Communicate them to everyone.

Encourage **reservations**

Face mask mandatory for **build and strike**

## DURING

Leave doors and tents **open** as much as possible. **Ventilate** areas regularly.

Wear a **face mask** indoors. Even outside when you can't keep your distance.

**Register** everyone's details

**Spread** visitors over time and space

Provide **hand gel** and **face masks**

Disinfect **shared equipment** after each use

**Dancing, singing and shouting** are not allowed

Do you serve **food and drink**? Follow the hospitality public health rules

FROM 28 JUNE

PREPARATION: DO THIS IN GOOD TIME

Each destination country has its own rules

Find out what the rules are before you leave

https://diplomatie.belgium.be/ → click on 'Travel advice per country'
https://reopen.europa.eu
02 501 81 11

You need a Corona Certificate (with QR code)

THERE ARE 3 TYPES OF CORONA CERTIFICATES

1 You are fully vaccinated \*

2 You had Covid\*\* and your quarantine is over

3 Have a PCR test done. Request a code online to make an appointment at a testing centre, lab (or GP). \*\*\*

www.mijngezondheid.be

After a negative test you receive a certificate

\* You are fully protected three weeks after your last vaccination.

\*\* Your quarantine is over. You have had a positive PCR test. It is not older than 180 days (6 months).

\*\*\* A list of places where you can go can also be found at www.mijngezondheid.be. Some countries also accept Rapid Antigen Testing. Make an appointment at a lab or some test centers.

YOU CAN GET THE CORONA CERTIFICATE IN 3 WAYS

1 Use the app CovidSafeBE

2 Download and print it

www.mijngezondheid.be

3 Call and receive it in the mail

Flanders: 078 78 78 50
Brussels: 02 214 19 19
Wallonia: 071 31 34 93
German-speaking Community: 0800 23 0 32

AT YOUR DESTINATION

Follow the public health rules of your destination

Enjoy!

FROM  
1 JULI
